Bible Study	Description
"Philippians: Jesus Our Joy" (A Book Study of Philippians by Donald Baker)	It is easy to be happy when things go well. But what would it be like to have a sense of joy that continued even in times of trouble? Paul's contentment was neither dependent on circumstance nor destroyed by difficulty. In his brief letter to the Philippians, Paul teaches us how to live joyfully in every situation. Join us for a journey into joy.
"Life Change Book Study of James" (A Book Study of James by Navpress)	How can you develop a faith that will remain strong when everyday circumstances get you down? Where can you get the wisdom that will help you to make the right choices in life's many decisions? This Life Change study of the book of James will challenge Christians in every stage of life to keep growing, living and walking by faith... a genuine faith that is a witness to the world.
"Mission of Motherhood 1 & 2" (A Book Study on Motherhood by Sally Clarkson)	The mission of motherhood is to nurture, protect, and instruct children, to create a home environment that enables them to learn and grow, to help each one to develop a heart for God and His purposes and to send them into the world prepared to live responsibly. A mother is a disciple maker! Come discover how understanding God's purpose and design can empower you to be the mother you long to be.
"Standing Firm in These Last Days" (A Book Study of I & II Thessalonians by Kay Arthur)	Jesus is coming soon! Does that fill you with joy or fear - or a little of both? Do you wonder how you should order your life in light of His coming? This Kay Arthur Inductive Study of First and Second Thessalonians will show you how to order your life in the light of Christ's imminent return.
"Paul: A Man of Grace and Grit" (A Book Study of Paul's life by Charles Swindoll)	Converted terrorist, Rabbi, inspired author, amazing teacher, and patient mentor of young believers. Paul's life is a source of instruction and hope for all of us. Join us for a look into the life of the apostle Paul as we discover important truths for our lives today through our question and answer discussion.
